

A New Generation of Learning - What you need to know to train Generations at Work

Join us for a Webinar on March 28

Join Alicia Rodriguez of Sophia Associates, Lori Kavle of Simulations International and Michael Berger, Director of Leadership and Executive Coaching for New Zealand Department of Conservation as we discuss new learning paradigms for multiple generations and the next generation of learners. This new generation was weaned on the computer, demands cool technology, instant feedback and is challenging to engage. Learn what you need to know about developing this new generation of learners.

Our Webinar will run from 200pm - 300pm - Join Us!
